

Booathon

Big Walnut Friends Who Share is a 501 c 3 non-profit that supports local families who are in need of food, clothing, household furniture or supplies. We also provide backpacks in the fall to school children in need and boxes of food and gifts at Christmas. Due to increased demand for basic needs to the underserved, we have needed to move into a larger facility. We are having a fall fundraising drive that includes a Booathon walk and a CELEBRATION of the new site on October 7, 2018 to gain community and business support. Will you help us by being a sponsor at this event or giving to BWFWS? Sponsors will be posted at the event for their participation.
